Proposition 1A

Transportation Funding Protection. Legislative Constitutional Amendment.

Yes/No Statement

A **YES** vote on this measure means: The State Constitution would specify additional limitations on the state's ability to suspend the transfer of gasoline sales tax revenues from the General Fund to transportation. In addition, all past suspensions would be required to be repaid by June 30, 2016, at a specified minimum rate of repayment each year.

A **NO** vote on this measure means: The State Constitution would not further limit the state's ability to suspend the transfer of gasoline sales tax revenues. State law, instead of the State Constitution, would specify when past suspensions would be repaid.

Proposition 1B

The Highway Safety, Traffic Reduction, Air Quality, and Port Security Bond Act of 2006

Yes/No Statement

A **YES** vote on this measure means: The state could sell $19.9 billion in general obligation bonds, for state and local transportation improvement projects to relieve congestion, improve the movement of goods, improve air quality, and enhance the safety and security of the transportation system.

A **NO** vote on this measure means: The state could not sell $19.9 billion in general obligation bonds, for these purposes.

Proposition 1C

Housing and Emergency Shelter Trust Fund Act of 2006

Yes/No Statement

A **YES** vote on this measure means: The state could sell $2.85 billion in general obligation bonds to support a variety of housing and development programs.

A **NO** vote on this measure means: The state could not sell $2.85 billion in general obligation bonds for these purposes.

Proposition 1D

Kindergarten-University Public Education Facilities Bond Act of 2006

Yes/No Statement

A **YES** vote on this measure means: The state could sell $10.4 billion in general obligation bonds for education facilities ($7.3 billion for K-12 school facilities and $3.1 billion for higher education facilities).

A **NO** vote on this measure means: The state could not sell $10.4 billion in general obligation bonds for these purposes.

Proposition 1E

The Disaster Preparedness and Flood Prevention Bond Act of 2006

Yes/No Statement

A **YES** vote on this measure means: The state could sell about $4.1 billion in general obligation bonds to fund flood management projects, including repairs and improvements to levees, weirs, bypasses, and other flood control facilities throughout the state.

A **NO** vote on this measure means: The state could not sell about $4.1 billion in general obligation bonds for these purposes.

Proposition 83

Sex Offenders. Sexually Violent Predators. Punishment, Residence Restrictions and Monitoring. Initiative Statute.

Yes/No Statement

A **YES** vote on this measure means: Some sex offenders would serve longer prison and parole terms. Sex offenders released from prison would be monitored with Global Positioning System (GPS) devices while on parole and for life after discharge from state supervision. Registered sex offenders would not be allowed to reside within 2,000 feet of a school or park. More sex offenders would be eligible for commitment by the courts to state mental health facilities for treatment under the Sexually Violent Predator (SVP) program.

A **NO** vote on this measure means: Current sentencing and residency laws regarding sex offenders stay in effect. State and local agencies would continue to have authority to monitor sex offenders with GPS devices while on parole and probation. Requirements for placement of sex offenders into the SVP program would not change.

SUBJECT TO COURT ORDERED CHANGES

Proposition 84

Water Quality, Safety and Supply. Flood Control. Natural Resource Protection. Park Improvements. Bonds. Initiative Statute.

Yes/No Statement

- A **YES** vote on this measure means: The state could sell $5.4 billion in general obligation bonds for safe drinking water, water quality, and water supply; flood control; natural resource protection; and park improvements.
- A **NO** vote on this measure means: The state could not sell $5.4 billion in general obligation bonds for these purposes.

Proposition 85

Waiting Period and Parental Notification Before Termination of Minor's Pregnancy. Initiative Constitutional Amendment.

Yes/No Statement

A **YES** vote on this measure means: The State Constitution would be changed to require that a physician notify, with certain exceptions, a parent or legal guardian of a pregnant minor at least 48 hours before performing an abortion.

A **NO** vote on this measure means: Minors would continue to receive abortion services to the same extent as adults. Physicians performing abortions for minors would not be subject to notification requirements.

SUBJECT TO COURT ORDERED CHANGES

Proposition 86

Tax on Cigarettes.
Initiative Constitutional Amendment and Statute.

Yes/No Statement

A **YES** vote on this measure means: The existing state excise tax on cigarettes and other tobacco products would increase by $2.60 per pack to support new or expanded programs for health services, children's health coverage, and tobacco-related activities. Other existing programs supported with tobacco excise taxes would continue.

A **NO** vote on this measure means: State excise taxes on cigarettes and other tobacco products would remain at the current level of 87 cents per pack and would continue to be used for existing purposes, including childhood development programs and various health and tobacco-related programs.

SUBJECT TO COURT ORDERED CHANGES

Proposition 87

Alternative Energy. Research, Production, Incentives. Tax on California Oil. Initiative Constitutional Amendment and Statute.

Yes/No Statement

A **YES** vote on this measure means: The state would impose a tax on oil production to support $4 billion in expenditures to develop and promote alternative energy technologies and promote the reduction of petroleum use.

A **NO** vote on this measure means: The state would not impose a tax on oil production to fund these activities.

Proposition 88

Education Funding, Real Property Parcel Tax

Yes/No Statement

A **YES** vote on this measure means: The state would levy an annual $50 tax on most parcels of land in California, with the proceeds allocated to school districts for five specified K-12 education programs.

A **NO** vote on this measure means: The state would not levy an annual $50 tax on most parcels of land to raise additional funding for K-12 education programs.

Proposition 89

Political Campaigns. Public Financing. Corporate Tax Increase. Contribution and Expenditure Limits. Initiative Statute.

Yes/No Statement

A **YES** vote on this measure means: Candidates for state offices could choose to receive public funds to pay for the costs of campaigns if they meet certain requirements. Candidates not accepting public funds would be subject to lower contribution limits than currently. The tax rate on corporations and financial institutions would be increased to pay for the public financing of political campaigns.

A **NO** vote on this measure means: Candidates for state offices would continue to pay for their campaigns with private funds subject to current contribution limits. The tax rate on corporations and financial institutions would not change.

Proposition 90

Government Acquisition, Regulation of Private Property. Initiative Constitutional Amendment.

Yes/No Statement

A **YES** vote on this measure means:

State and local governments would have significantly increased requirements to compensate property owners for economic losses to their property resulting from new laws or rules. Also, government would be more restricted in taking private property for public uses.

A **NO** vote on this measure means:

There would be no changes in the requirements on government for: (1) paying for economic losses to property resulting from new laws and rules and (2) taking private property for public purposes.
